Invitation to sponsor 12th Congress of the APSR

The Asian Pacific Society of Respiriology (APSR) will hold its 12th Annual Congress (2nd Joint Congress of the APSR and ACCP) at the Gold Coast Convention and Exhibition Centre near Surfers Paradise, Queensland, Australia from 30 November to 4 December 2007.

The APSR was established in 1985. The objectives of the Society are the advancement and promotion of knowledge of the respiratory system in health and disease. The Society strives to encourage research, to improve clinical practice through teaching, to increase awareness of health problems in the region and to promote the exchange of knowledge among respirologists in the Asian Pacific Region. The Society has witnessed a steady growth over the past two decades with 11,000 members from more than 12 countries in the region.

The first Congress in 1988 in Tokyo was successfully followed by biennial or annual congresses to the 11th meeting in Kyoto, Japan, in November 2006. The Gold Coast Congress is expected to provide 2,500 regional participants with a forum for scientific learning and socio-cultural exchange.

This is the 2nd Joint Congress of the APSR and the American College of Chest Physicians (ACCP), an organisation with over 16,000 members worldwide who share the APSR's mission of advancement and promotion of knowledge in diseases of the chest, as well as in critical care medicine and sleep disorders. The first Joint Congress held in Guangzhou, China, in 2005 saw the participation of several ACCP faculty in a very successful educational collaboration, and this Congress will expand on the last.

The program will feature the latest developments in respiratory medicine focussing on relevance to the Asian Pacific Region and will include topics such as:

- Asthma
- COPD
- Interstitial lung disease
- Interventional pulmonology
- End of life issues
- Lung cancer
- Pulmonary vascular disease
- Tuberculosis
- Occupational & environmental lung disease
- Mesothelioma
- Pandemic flu
- Critical care
- Sleep medicine

On behalf of the APSR, we invite interested companies to become sponsors or exhibitors at the Congress and look forward to your participation.

venue

The world renowned Gold Coast will provide a perfect backdrop for this exciting scientific meeting. The Congress will be held at the Gold Coast Convention & Exhibition Centre, located at Broadbeach, a few kilometres south of Surfers Paradise, near Brisbane, Queensland. The main conference hotels – Conrad Jupiters Hotel and Casino and the Sofitel Gold Coast – are a few minutes walk from the Centre and the wide range of alternative accommodation within walking distance will suit any budget.

The nearest international airport is Brisbane Airport, approximately 80 km from Broadbeach, and frequent transfers are available by Airtrain shuttle bus. The Gold Coast Airport (domestic flights only) is approximately 20 km from Broadbeach and is also served by a shuttle bus service.

The Gold Coast is one of Australia's leading tourist destinations. Millions of visitors come each year from around the world to enjoy its sandy surfing and family beaches, championship golf courses, theme parks and bushwalking in the lovely Hinterland. There is great shopping and many fine restaurants catering for all tastes. The Gold Coast has a pleasant climate all year round, boasting 287 days of sunshine per year. In October/ November, the average daytime temperature is 15 – 25 degrees Celsius.

program outline

The Congress Program will commence on Saturday 1 December and end at 5 pm on Tuesday 4 December, prior to the congress dinner. The industry exhibition will be open on those days (refer page 11 for detailed timings). The Congress will be preceded on Friday 30 November by satellite symposia and allied courses.
