

THE THORACIC SOCIETY OF THAILAND...SIGNED MOU WITH NCC IN ORGANIZING
THE 13TH CONGRESS OF THE ASIAN PACIFIC SOCIETY OF RESPIROLOGY

Professor Arth Nana (center), President of the Thoracic Society of Thailand and of the Local Organizing Committee, and **Associate Professor Doctor Nitipatana Chierakul** (left), Secretary of the Local Organizing Committee, recently signed MOU contract with **Mr. Rirksmai Sukhum** (right), President of N.C.C. Management and Development Co., Ltd., in organizing the **13th Congress of the Asian Pacific Society of Respirology**, under the theme of “**Optimal Use of Advanced Technology**”, which will be held from **19th to 22nd November 2008 at Queen Sirikit National Convention Center**. This event aims to provide exchange in academic informations, knowledge, and new innovations in respiratory diseases among doctors, experts and specialists in respirology, researchers, and public health organizations throughout Asia Pacific region and to encourage them to be concerned about the increasing incidence of respiratory problems as well as to find the way to improve the management in the future.

As for this Congress, Thailand was honoured to be the host country of such a great event, which is supported by Thailand Convention and Exhibition Bureau (TCEB) and Pfizer (Thailand) Co., Ltd. It is expected that there would be about 2,000 delegates from more than 40 countries worldwide coming to exchange medical informations and new innovations in this Congress.
