

Road Show in Australia gained good response.

On 30th November – 4th December 2007, the Organizing Committee of the 13th Congress of Asia Pacific Society of Respiriology (APSR 2008) led by Professor Arth Nana, the Congress President, managed the road show in the 12th Congress of APSR 2007 at Gold Coast Convention and Exhibition Centre, Australia, ending with pleasant success.

Throughout 5 days of the Congress road show, the Committee received very good response both from participants and many pharmaceutical companies who showed their interest in joining and supporting the Congress in Thailand.

Besides the road show booth, Professor Arth presented progress in Congress preparation to the Executive Committee and Central Congress Committee as the

confirmation of Thailand's readiness in holding the 13th Congress of APSR 2008 in this yearend.
