

APSR 2011 - 4 November (Friday) - Scientific Program

Venue: Shanghai International Convention Centre

07:30-08:30	Meet the Expert Sessions 01 (venue: 3A, SHICC)			Meet the Expert Sessions 02 (venue: 3F, SHICC)			Meet the Expert Sessions 03 (venue: 3G, SHICC)					
	Peter Calverley	UK	Lessons Learnt from Big COPD Trials	David Hui	HK	Risk of Infectious Spread with NIV	Monica Kraft	US	Role of Infection in Asthma Control			
08:30-10:30	SY01 - Controversies in Paediatric Asthma (venue: Century Hall, SHICC)			SY02 - Advances in Asthma Management (venue: Auditorium, SHICC)			SY03 - Interventional Pulmonology (venue: Yellow River Hall, SHICC)			SY04 - ARDS Updates (venue: Yangzi River Hall, SHICC)		
	Mark Everard	UK	The Pre-schooler with Beta-2 Responsive Wheeze: Is It Asthma?	Kenneth Chapman	CA	Managing Asthma, Which Outcomes Matter?	Rex Yung	US	Bronchoscopic diagnosis of peripheral lung lesions: State of the Art	Joe G.N. Garcia	US	Advances in Diagnosis and Treatment of ARDS
	Anne Chang	AU	Is Chronic Cough Related to Paediatric Asthma?	Richard Beasley	NZ	Self-care Management System	Jie Hu	CN	Endobronchial Ultrasound in Lung Cancer Diagnosis and Staging	Roy Brower	US	Lung Protective Mechanical Ventilation in Acute Lung Injury: Progress in the Past 10 Years
	Guy Marks	AU	Role of Allergen Avoidance in the Management of Childhood Asthma	Helen Reddel	AU	What Can Be Done to Improve Treatment Adherence?	David FELLER-KOPMAN	US	Management of Central Airway Obstruction	Dean Sheppard	US	Novel Target for Treatment of Acute Lung Injury
	Yuzhi Chen	CN	Childhood Asthma in China is Some Different from That in Other Countries	Jiangtao Lin	CN	Asthma Prevalence and Management in China: Update Data from CARE Study	Gary Lee	AU	Diagnosis and Management of Malignant Pleural Effusion	Augustine Choi	US	Pathogenesis of ARDS/ALI: What is new?
10:30-11:00	Memorial Lecture (venue: Auditorium, SHICC)											
11:00-11:15	Visit Exhibits/ Break											
11:15-12:30	Oral Session 1			Oral Session 2			Oral Session 3			Oral Session 4		
12:30-13:30	Lunch Symposium 1			Lunch Symposium 2			Lunch Symposium 3			Lunch Symposium 4		
13:30-15:00	Oral Session 5			Oral Session 6			Oral Session 7			Oral Session 8		
15:00-15:30	Visit Exhibits/ Break											
15:30-17:30	SY05 - Understanding Factors Inducing Asthma (venue: Century Hall, SHICC)			SY06 - Understanding of Clinical Features of COPD (in honor of the late Prof. Peter Black) (venue: Auditorium, SHICC)			SY07 - Sleep Apnea - Addressing Clinical Controversies (venue: Yellow River Hall, SHICC)			SY08 - Advances in Diagnosis and Therapy of Pulmonary Vascular Diseases (venue: Yangzi River Hall, SHICC)		
	David Jacoby	US	Virus Induced Asthma Attacks	Kenneth Chapman	CA	Strategies for Distinguishing Asthma from COPD	Yuanming Luo	CN	Sleep in Patients with COPD	Nicholas Hill	US	Vasodilator Testing for Pulmonary Hypertension: How and Why
	Jun Tamaoki	JP	Impact of Obesity in Asthma Morbidity and Severity	Masaharu Nishimura	JP	Phenotyping of COPD: Does It Matter?	Matthew Naughton	AU	New PAP Devices - Gimmick or Really Beneficial?	Chen Wang	CN	Updates on Anti-coagulation Therapy of Pulmonary Embolism
	Shu Hashimoto	JP	Innate Immunity in Airway Inflammation	Bei He	CN	The investigation of beta2-AR in pathogenesis of COPD	Hiroko Tsuda	JP	Oral Appliance Therapy for Sleep Disordered Breathing	Zhengguo Zhai	CN	The Current Status of Pulmonary Hypertension Therapy in China
	Rohit K. Katial	US	Clinical Implications and Novel Mechanism of Action of Aspirin Exacerbated Respiratory Disease	Peter Calverley	UK	Exercise Limitation in COPD - What Causes It and What Does It Mean?	David Gutterman	US	Obstructive Sleep Apnea is a Cardiovascular Disease	Robert Levy	CA	Approach to Pulmonary Hypertension in Patients with Advanced Lung Diseases
	Hua Huang	US	IL-4, but not IL-2, induces Th2 cells to resist the IL-27 counterregulation by downregulating STAT1 phosphorylation				Walter McNicholas	UK	Research Initiatives to Address Clinical Controversies in Sleep Apnea - the European perspective	Ivan N. Villespin	PH	
17:30-18:30	Evening Symposium 1			Evening Symposium 2			Evening Symposium 3			Evening Symposium 4		
18:30-20:00	Presidential Dinner (By Invitation Only)
